\* Estimated. † Partial year. 1. Financial year ending March 31, 2010. 2. Financial year ending Feb. 28, 2010. 3. Net is before exceptionals and taxation. 4. 2008 results include 11 months through September due to merger between Thomas Cook and MyTravel. 5. 2008 figures are 11 months. 6. Japan Airlines filed for bankruptcy protection January 19, 2010. Current period results are nine months only through December 31, 2009. 7. Pretax income. 8. 2008 results include Northwest Airlines from October 30 - December 31. 9. Includes ASA.

Please note that the financial data are converted to US dollars at the published exchange rate on the last day of the airline's most recent financial year end. Ascend and ATW have made every effort to make this table as complete as possible. As a result there is some repetition of financial data. For example, results for American Eagle are also included in parent company AMR Corp. and Lufthansa Cargo results are also included in Lufthansa Group.
